DEFENSES AND DEMAND FOR
TRIAL BY JURY**

1 Defendants C. R. Bard, Inc. (“Bard”) and Bard Peripheral Vascular, Inc. (“BPV”)
2 (Bard and BPV are collectively “Defendants”) answer the Complaint (“Plaintiff’s
3 Complaint”) of Plaintiff Tommy Lee Beal (“Plaintiff”) as follows:

4 **INTRODUCTORY ALLEGATIONS**

5 1. Defendants are without knowledge or information sufficient to form a belief as
6 to the truth of the allegations contained in Paragraph 1 of Plaintiff’s Complaint regarding
7 either the residency and citizenship of Plaintiff and, on that basis, deny them. Defendants
8 deny the remaining allegations contained in Paragraph 1 of Plaintiff’s Complaint.

9 2. Defendants admit that Bard is a foreign Corporation and that Bard is authorized
10 to do business, and does business, in the State of North Carolina and in the State of

12 manufactured. Defendants deny any remaining allegations contained in Paragraph 2 of
13 Plaintiff’s Complaint.

14 3. Defendants admit that BPV is a foreign Corporation and that BPV is authorized
15 to do business, and does business, in the State of North Carolina and in the State of

20 4. The allegations of Paragraph 4 of Plaintiff’s Complaint contain no factual
21 allegations and, as a result, require no response by Defendants. However, to the extent
22 Paragraph 4 purports to cast liability either directly or indirectly upon Defendants, said
23 Paragraph is expressly denied.

24 **JURISDICTION AND VENUE**

25 5. Regarding Paragraph 5 of Plaintiff’s Complaint, Defendants do not contest that
26 the injuries and damages alleged within Plaintiff’s Complaint exceed the jurisdictional limit
27 of this Court. However, Defendants deny that they are liable to Plaintiff for any amount
28

1 whatsoever and deny that Plaintiff has suffered any damages whatsoever. Defendants do not

 4 District Court for the Western District of North Carolina.

5 6. Regarding Paragraph 6 of Plaintiff's Complaint, Defendants do not dispute that,

13 **PRAYER FOR RELIEF**

14 Furthermore, responding to the unnumbered Paragraph, including sub-parts, following
15 the heading "PRAYER FOR RELIEF" and beginning "WHEREFORE," Defendants deny the
16 allegations contained in such Paragraph and all sub-parts thereof.

17 Defendants further deny each and every allegation not specifically admitted herein.

18 **DEFENSES**

19 Defendants allege as affirmative defenses the following:

20 1. Plaintiff's Complaint filed herein fails to state a claim or claims upon which
21 relief can be granted under Rule 12 of the Federal Rules of Civil Procedure.

22 2. The sole proximate cause of Plaintiff's damages, if any were sustained, was the
23 negligence of a person or persons or entity for whose acts or omissions Defendants were and
24 are in no way liable.

25 3. Plaintiff's claims are barred, in whole or in part, by the applicable statutes of
26 limitations and/or statute of repose.

1 4. If Plaintiff has been damaged, which Defendants deny, any recovery by
2 Plaintiff is barred to the extent Plaintiff voluntarily exposed himself to a known risk and/or
3 failed to mitigate his alleged damages. To the extent Plaintiff has failed to mitigate his alleged
4 damages, any recovery shall not include alleged damages that could have been avoided by
5 reasonable care and diligence.

6 5. If Plaintiff has been damaged, which Defendants deny, such damages were
7 caused by the negligence or fault of Plaintiff.

8 6. If Plaintiff has been damaged, which Defendants deny, such damages were
9 caused by the negligence or fault of persons and/or entities for whose conduct Defendants are
10 not legally responsible.

11 7. The conduct of Defendants and the subject product at all times conformed to
12 the Federal Food, Drug and Cosmetics Act, 21 U.S.C. § 301, *et seq.*, and other pertinent
13 federal statutes and regulations. Accordingly, Plaintiff's claims are barred, in whole or in
14 part, under the doctrine of federal preemption, and granting the relief requested would
15 impermissibly infringe upon and conflict with federal laws, regulations, and policies in
16 violation of the Supremacy Clause of the United States Constitution.

17 8. If Plaintiff has been damaged, which Defendants deny, such damages were
18 caused by unforeseeable, independent, intervening, and/or superseding events for which
19 Defendants are not legally responsible.

20 9. There was no defect in the product at issue with the result that Plaintiff is not
21 entitled to recover against Defendants in this cause.

22 10. If there were any defect in the products – and Defendants deny that there were
23 any defects – nevertheless, there was no causal connection between any alleged defect and
24 the product on the one hand and any damage to Plaintiff on the other with the result that
25 Plaintiff is not entitled to recover against Defendants in this cause.

26 11. Plaintiff's injuries, losses or damages, if any, were caused by or contributed to
27 by other persons or entities that are severally liable for all or part of Plaintiff's alleged
28

1 injuries, losses or damages. If Defendants are held liable to Plaintiff, which liability is
2 specifically denied, Defendants are entitled to contribution, set-off, and/or indemnification,
3 either in whole or in part, from all persons or entities whose negligence or fault proximately
4 caused or contributed to cause Plaintiff's alleged damages.

5 12. Plaintiff's claims are barred to the extent that the injuries alleged in the
6 Plaintiff's Complaint were caused by the abuse, misuse, abnormal use, or use of the product
7 at issue in a manner not intended by Defendants and over which Defendants had no control.

8 13. Plaintiff's claims are barred to the extent that the injuries alleged in the
9 Plaintiff's Complaint were caused by a substantial change in the product after leaving the
10 possession, custody, and control of Defendants.

11 14. Plaintiff's breach of warranty claims are barred because: (1) Defendants did not
12 make any warranties, express or implied, to Plaintiff; (2) there was a lack of privity between
13 Defendants and Plaintiff; and (3) notice of an alleged breach was not given to the seller or
14 Defendants.

15 15. Plaintiff's claims for breach of implied warranty must fail because the product
16 was not used for its ordinary purpose.

17 16. Defendants neither had nor breached any alleged duty to warn with respect to
18 the product, with the result that Plaintiff is not entitled to recover in this cause.

19 17. Plaintiff's claims are barred by Defendants' dissemination of legally adequate
20 warnings and instructions to learned intermediaries.

21 18. At all relevant times, herein, Plaintiff's physicians were in the position of
22 sophisticated purchasers, fully knowledgeable and informed with respect to the risks and
23 benefits of the subject product.

24 19. If Plaintiff has been damaged, which Defendants deny, the actions of persons or
25 entities for whose conduct Defendants are not legally responsible and the independent
26 knowledge of these persons or entities of the risks inherent in the use of the product and other
27
28

1 independent causes, constitute an intervening and superseding cause of Plaintiff's alleged
2 damages.

3 20. To the extent that injuries and damages sustained by Plaintiff, as alleged in
4 Plaintiff's Complaint, were caused directly, solely, and proximately by sensitivities, medical
5 conditions, and idiosyncrasies peculiar to Plaintiff not found in the general public, they were
6 unknown, unknowable, or not reasonably foreseeable to Defendants.

7 21. Defendants believe, and upon that ground allege, that Plaintiff was advised of
8 the risks associated with the matters alleged in Plaintiff's Complaint and knowingly and
9 voluntarily assumed them. Pursuant to the doctrine of assumption of the risk, informed
10 consent, release, waiver, or comparative fault, this conduct bars in whole or in part the
11 damages that Plaintiff seeks to recover herein.

12 22. At all relevant times during which the device at issue was designed, developed,
13 manufactured, and sold, the device was reasonably safe and reasonably fit for its intended
14 use, was not defective or unreasonably dangerous, and was accompanied by proper warnings,
15 information, and instructions, all pursuant to generally recognized prevailing industry
16 standards and state-of-the-art in existence at the time.

17 23. Plaintiff's claims are barred because Plaintiff suffered no injury or damages as a
18 result of the alleged conduct and do not have any right, standing, or competency to maintain
19 claims for damages or other relief.

20 24. Plaintiff's claims are barred, in whole or in part, by the doctrines of waiver,
21 estoppel, and/or laches.

22 25. If Plaintiff suffered any damages or injuries, which is denied, Defendants state
23 that Plaintiff's recovery is barred, in whole or in part, or subject to reduction, under the
24 doctrines of contributory and/or comparative negligence.

25 26. In the further alternative, and only in the event that it is determined that
26 Plaintiff is entitled to recover against Defendants, recovery should be reduced in proportion to
27 the degree or percentage of negligence, fault or exposure to products attributable to Plaintiff,
28

1 any other defendants, third-party defendants, or other persons, including any party immune
2 because bankruptcy renders them immune from further litigation, as well as any party, co-
3 defendant, or non-parties with whom Plaintiff has settled or may settle in the future.

4 27. Should Defendants be held liable to Plaintiff, which liability is specifically
5 denied, Defendants would be entitled to a setoff for the total of all amounts paid to Plaintiff
6 from all collateral sources.

7 28. Plaintiff's claims may be barred, in whole or in part, from seeking recovery
8 against Defendants pursuant to the doctrines of res judicata, collateral estoppel, release of
9 claims, and the prohibition on double recovery for the same injury.

10 29. The injuries and damages allegedly sustained by Plaintiff may be due to the
11 operation of nature or idiosyncratic reaction(s) and/or pre-existing condition(s) in Plaintiff
12 over which Defendants had no control.

13 30. The conduct of Defendants and all activities with respect to the subject product
14 have been and are under the supervision of the Federal Food and Drug Administration
15 ("FDA"). Accordingly, this action, including any claims for monetary and/or injunctive relief,
16 is barred by the doctrine of primary jurisdiction and exhaustion of administrative remedies.

17 31. Defendants assert any and all defenses, claims, credits, offsets, or remedies
18 provided by the Restatements (Second and Third) of Torts and reserve the right to amend
19 their Answer to file such further pleadings as are necessary to preserve and assert such
20 defenses, claims, credits, offsets, or remedies.

21 32. The device at issue complied with any applicable product safety statute or
22 administrative regulation, and therefore Plaintiff's defective design and warnings-based
23 claims are barred under the Restatement (Third) of Torts: Products Liability § 4, *et seq.* and
24 comments thereto.

25 33. Plaintiff cannot show that any reasonable alternative design would have
26 rendered the inferior vena cava filter device as alleged in Plaintiff's Complaint to be safer
27
28

1 overall under the Restatement (Third) of Product Liability § 2, cmt. f, nor could Defendants
2 have known of any alternative design that may be identified by Plaintiff.

3 34. The device at issue was not sold in a defective condition unreasonably
4 dangerous to the user or consumer, and therefore Plaintiff's claims are barred under the
5 Restatement (Second) of Torts: Products Liability § 402A and comments thereto, and
6 comparable provisions of the Restatement (Third) of Torts (Products Liability).

7 35. At all relevant times during which the device at issue was designed, developed,
8 manufactured, and sold, the device was reasonably safe and reasonably fit for its intended
9 use, was not defective or unreasonably dangerous, and was accompanied by proper warnings,
10 information, and instructions, all pursuant to generally recognized prevailing industry
11 standards and state-of-the-art in existence at the time.

12 36. Defendants specifically plead all affirmative defenses under the Uniform
13 Commercial Code ("UCC") now existing or which may arise in the future, including those
14 defenses provided by UCC §§ 2-607 and 2-709.

15 37. Plaintiff's alleged damages, if any, should be apportioned among all parties at
16 fault, and any non-parties at fault, pursuant to the Uniform Contribution Among Tortfeasors
17 Act.

18 38. No act or omission of Defendants was malicious, willful, wanton, reckless, or
19 grossly negligent, and, therefore, any award of punitive damages is barred.

20 39. To the extent the claims asserted in Plaintiff's Complaint are based on a theory
21 providing for liability without proof of defect and proof of causation, the claims violate
22 Defendants' rights under the Constitution of the United States and analogous provisions of
23 the North Carolina Constitution.

24 40. To the extent Plaintiff seeks punitive damages, Defendants specifically
25 incorporate by reference any and all standards of limitations regarding the determination
26 and/or enforceability of punitive damages awards that arose in the decisions of *BMW of*
27 *No. America v. Gore*, 517 U.S. 559 (1996); *Cooper Industries, Inc. v. Leatherman Tool*
28

1 *Group, Inc.*, 532 U.S. 424 (2001); *State Farm Mut. Auto Ins. Co. v. Campbell*, 123 S. Ct.
 2 1513 (2003); and *Exxon Shipping Co. v. Baker*, No. 07-219, 2008 U.S. LEXIS 5263 (U.S.
 3 June 25, 2008) and their progeny as well as other similar cases under both federal and state
 4 law.

5 41. Any of Plaintiff's claims for punitive or exemplary damages violate, and are
 6 therefore barred by, the Fourth, Fifth, Sixth, Eighth and Fourteenth Amendments to the
 7 Constitution of the United States of America, and similar provisions of the North Carolina
 8 Constitution, on grounds including the following:

- 9 (a) it is a violation of the Due Process and Equal Protection Clauses of the
 10 Fourteenth Amendment of the United States Constitution to impose punitive
 11 damages, which are penal in nature, against a civil defendant upon the plaintiffs
 12 satisfying a burden of proof which is less than the "beyond a reasonable doubt"
 13 burden of proof required in criminal cases;
- 14 (b) the procedures pursuant to which punitive damages are awarded may result in
 15 the award of joint and several judgments against multiple defendants for
 16 different alleged acts of wrongdoing, which infringes upon the Due Process and
 17 Equal Protection Clauses of the Fourteenth Amendment of the United States
 18 Constitution;
- 19 (c) the procedures to which punitive damages are awarded fail to provide a
 20 reasonable limit on the amount of the award against Defendants, which thereby
 21 violates the Due Process Clause of the Fourteenth Amendment of the United
 22 States Constitution;
- 23 (d) the procedures pursuant to which punitive damages are awarded fail to provide
 24 specific standards for the amount of the award of punitive damages which
 25 thereby violates the Due Process Clause of the Fourteenth Amendment of the
 26 United States Constitution;

1 (e) the procedures pursuant to which punitive damages are awarded result in the
2 imposition of different penalties for the same or similar acts, and thus violate
3 the Equal Protection Clause of the Fourteenth Amendment of the United States
4 Constitution;

5 (f) the procedures pursuant to which punitive damages are awarded permit the
6 imposition of punitive damages in excess of the maximum criminal fine for the
7 same or similar conduct, which thereby infringes upon the Due Process Clause
8 of the Fifth and Fourteenth Amendments and the Equal Protection Clause of the
9 Fourteenth Amendment of the United States Constitution;

10 (g) the procedures pursuant to which punitive damages are awarded permit the
11 imposition of excessive fines in violation of the Eighth Amendment of the
12 United States Constitution;

13 (h) the award of punitive damages to the plaintiff in this action would constitute a
14 deprivation of property without due process of law; and

15 (i) the procedures pursuant to which punitive damages are awarded permit the
16 imposition of an excessive fine and penalty.

17 42. Defendants expressly reserve the right to raise as an affirmative defense that
18 Plaintiff has failed to join all parties necessary for a just adjudication of this action, should
19 discovery reveal the existence of facts to support such defense.

20 43. Defendants reserve the right to raise such other affirmative defenses as may be
21 available or apparent during discovery or as may be raised or asserted by other defendants in
22 this case. Defendants have not knowingly or intentionally waived any applicable affirmative
23 defense. If it appears that any affirmative defense is or may be applicable after Defendants
24 have had the opportunity to conduct reasonable discovery in this matter, Defendants will
25 assert such affirmative defense in accordance with the Federal Rules of Civil Procedure.
